**Campers will not be allowed to leave The Hill unsupervised.**

The Hill is committed to providing campers with a full, safe and equal opportunity to enjoy the retreat/camping experience.

**If your youth has any serious behavioral problems or special circumstances involving physical, medical, or social concerns, the Camp Director should be notified of this now, so that reasonable accommodation may be considered.**

We regret that youth who do not demonstrate the potential of living cooperatively, compatibly, and safely with other youth cannot be accepted into the program. Our camp is designed to be a strong influence in the lives of the youth it serves, and typical problems are usually overcome. The Hill recognizes that most youth's problems are quite normal and correctable through a program of high expectations and positive attitudes. However, youth with serious behavioral problems should have special guidance concerning their readiness before going to Camp. These problems should be discussed with the Camp Director, and the advisability of accepting the youth into the Camp program can be determined at that time. In the event that our program/facility is not a good match, we will do everything we can to help you locate a Camp that would be more suited to serving your youth's needs.

**The Camp Director reserves the right to decline the application of any youth, or send home any youth, who according to the Camp Director's discretion is not a desirable associate for the other campers. If a camper is dismissed due to behavioral/social issues, the tuition is not refundable.**

- The undersigned assumes full responsibility for the risk of injury to the camper or to property involved in any activity, including transportation to and from The Hill, and waives all specific notice of the existence of risk in the activity.

### When To Arrive

The Winter Youth Retreat begins at 7:00 p.m. on Friday, January 18th, 2019 and will end at 10:00 a.m. on Sunday, January 20th, 2019. Retreat registration begins at 5 p.m. on Friday at the Mannah House. No meal will be provided on Friday night. ### What to Wear

*For the benefit of the camp/retreat attendees and the counselors, clothing items not allowed at the retreat include any apparel that is disruptive to the normal operation of the retreat. Clothing is to be modest and should be in good taste. The final decision on “good taste” rests with the retreat staff. All campers are required to wear safe and appropriate footwear for each activity.*

As a general guideline, tops/shirts should not display unwholesome wording or images, should not be short enough to reveal skin at the waist during normal activities and should not be cut low enough in the front or under the arms or be thin enough to be considered revealing. Shorts should be at least mid-thigh length or longer. Please don't consider this legalism—these boundaries are to protect you and others at the retreat.

The retreat administration reserves the right to send home any youth, who according to the administrator's discretion, chooses not to remedy or correct a personal item or clothing problem. If a camper is dismissed due to one of these issues, the tuition is not refundable.
